LED	Power On / Off, HDD connected
Switch	On / Off, Reset
Fan	mounting racks for 3x 80 mm, 2x 60 mm

Inside view

The RM-1940 is a reliable and stable 4U industrial computer chassis with 20.5" depth. It supports all EATX, ATX and Micro ATX motherboards with a Dual-core/ Quad-Core processor and 7 PCI or PCI express cards. It has high quality aluminum front panel despite its low price. This chassis has brackets to mount three 80mm and two 60 mm cooling fans for air ventilation. In addition, the RM-1940 supports a standard ATX or PS/2 power supply.
